

Choice Health Network

Harm Reduction

Health. Equity. Hope.

a Positively Living program

What is harm reduction?

Harm reduction is a set of strategies and ideas aimed at reducing negative consequences associated with drug use. Harm Reduction is also a movement for social justice built on a belief in, and respect for, the rights of people who use drugs.

What services does Choice Health Network Harm Reduction provide?

- Syringe exchange
- Naloxone training and distribution
- Hepatitis C and HIV testing
- Case management services
