Tennessee Consortium

**A collaborative effort to reduce the opioid epidemic in East TN through a community-engaged approach**

## ABOUT US

---

RCORP-ETC serves to solve the opioid epidemic in East Tennessee by enhancing the quantity and quality OUD resources, provider services, and community supports that promote OUD prevention, treatment, and recovery.

The RCORP-ETC membership includes over 100 professionals from 30 organizations that serve the East Tennessee RCORP-ETC area.

RCORP-ETC meets quarterly and currently has three working groups that focus on OUD resources for youth, providers, and the greater community. Working groups meet monthly.

## OUR TOP PRIORITIES

---

- Mental health promotion and treatment
- Stigma reduction
- Increased number and quality of treatment and recovery services

## WHO WE ARE

---

### Vision

To eradicate opioid use disorder, the RCORP-ETC strives to create healthy communities by enhancing health promotion and prevention, collaboration, and access to health services and care. Together these efforts will promote safety, physical and emotional wellness, and economic security.

### Mission

To operate as a collaborative consortium that creates a complex plan with capacity building goals to significantly reduce the impact of the opioid epidemic in East Tennessee.
