IGT Solutions (IGT) is committed to simplifying complex customer interactions while delivering a seamless experience. It provides integrated BPM, Technology and Digital Services & Solutions for clients across industries.

Vision

To be the world's greatest customer experiences company making a billion complex interactions simple every year

Values

At IGT we constantly strive to find a better way to deliver superior customer experience. So, we have three core values that run through everything we do.

INTEGRITY is observing financial and intellectual honesty. Taking personal responsibility and facing reality, regardless of consequences.

CUSTOMER ORIENTATION means always seeing things from the customer's perspective. Identifying the customer's unstated as well as emerging needs.

FUTURE-MINDEDNESS is about staying in touch with new developments. Consistently questioning existing assumptions and making new ideas work.

American Job Center

Tennessee is not responsible for the participation of any advertised employers at our hiring and resource events. We solicit their participation in good faith that they may attend but acknowledge that unexpected events occur, which may prevent their attendance.
