Warehouse Associate – Job Order # 1039280

For more than 68 years, Petroleum Service Corporation (PSC) has been committed to safely and efficiently meeting the product handling and site logistics needs of the leading companies in the refining, chemical, and marine industries. Our 3,500-plus employees serve at more than 125 refineries, terminals, and chemical plants across the U.S., Mexico and Canada.

THE PSC VALUE PROPOSITION: To provide our customers with the services they need at a level of safety and quality that meets or exceeds what they could achieve using their own personnel, and at an overall lower cost.

The work we do makes a difference.

PSC operates at all stages of the manufacturing process, offering the technical expertise, experience and know-how to provide critical support through all levels of the petrochemical and fuel supply chains.
