

# INTERESTED IN BECOMING A SYRINGE SERVICES PROGRAM (SSP) IN TENNESSEE?

NON-GOVERNMENTAL ORGANIZATIONS AND LOCAL HEALTH DEPARTMENTS ARE ELIGIBLE AND ENCOURAGED TO APPLY!

Tennessee Department of Health approval is required to operate an SSP and starts with a simple online application

**Click or scan the QR code to get started**

## Approval comes with many benefits including:

- Limited immunity to protect SSP operators and participants from being charged with possession of injection supplies
- Access to free rapid HIV and hepatitis C test kits, training, and certification
- Access to in-kind naloxone for program participants

## Application requirements include:

- Letters of support
- Proposed location(s)
- Intent to implement rapid HIV and hepatitis C testing
- Naloxone distribution plan
- Security plan
