

# SAFETY IN MANUFACTURING CAMP

*Get a head start on your career!*

Safety knowledge is critical in the workplace. Get a head start on your career in manufacturing by receiving your OSHA 10 General Industry Card during spring break.

**Monday through Friday, March 14-18 • 9 a.m. - 4 p.m. each day**

During the week, you will:

- Learn about various aspects of safety including fire protection and prevention, materials handling and hazard materials.
- Meet local companies, including Keurig Dr. Pepper, and learn how an OSHA 10 Card and Certified Production Technician certification play a role in the manufacturing industry.
- Receive your OSHA 10 General Industry Card, which is highly valued for potential employees by employers in the industrial sector.
- Begin working toward the completion of your MSSC Certified Production Technician certification.

This **free**, week-long camp is designed for high school students and will be held at the Pellissippi State Magnolia Avenue Campus (1610 E Magnolia Ave., Knoxville, TN). Lunch will be provided each day.

**Camps are FREE to attend, but registration is required.**
